

# Top 50 iOS 18 Features You Should Know Before Launch

## Description

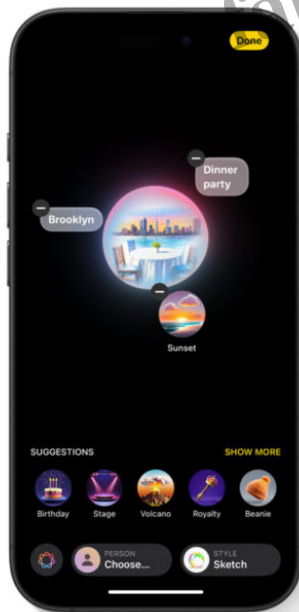

<https://www.apple.com/in/ios/ios-18>

Here is the list of top 50 iOS exciting features one should know before its launch!

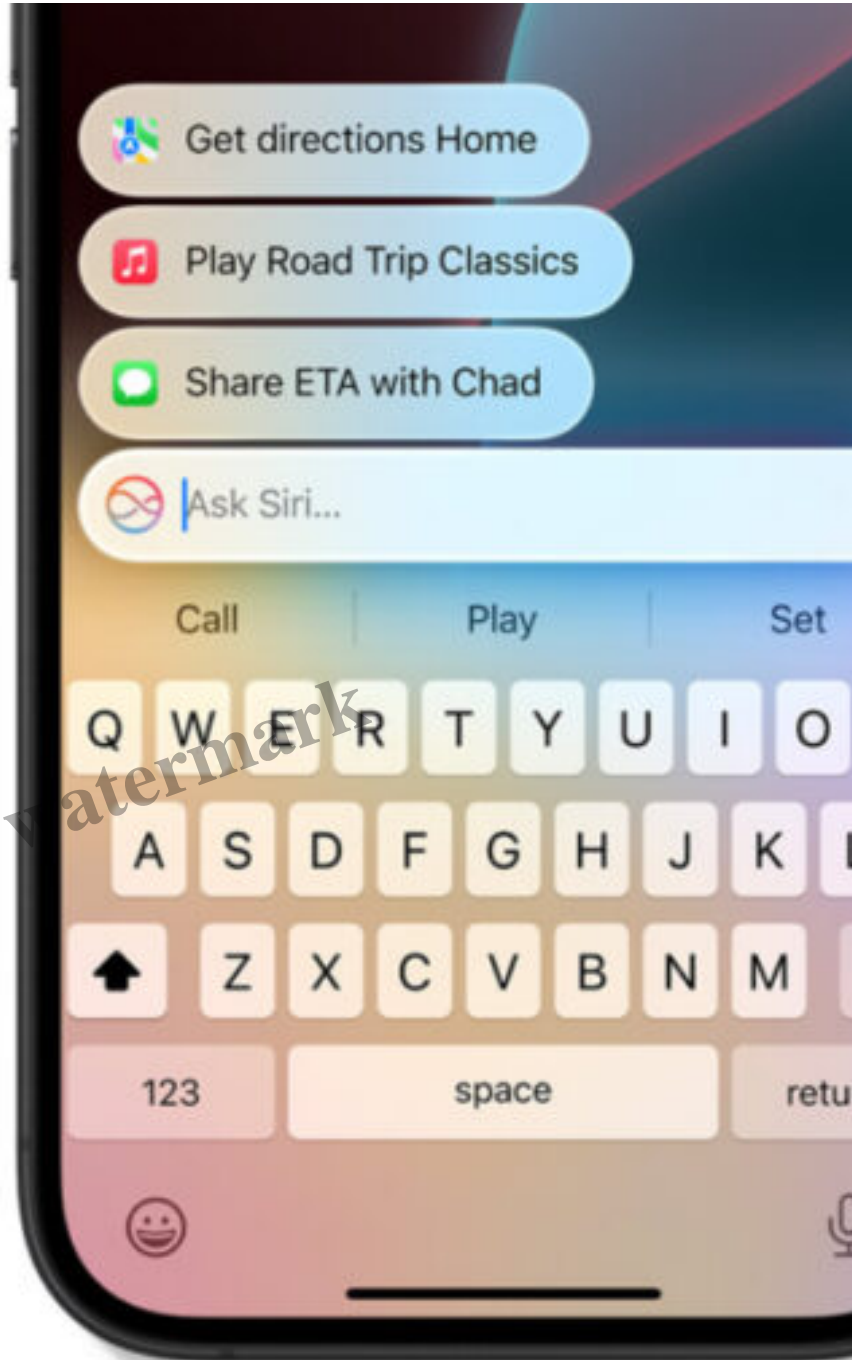

The last one is the most useful feature.

**Delightful images created just for you.**

Create images to express yourself, craft Genmoji for conversations or revisit favourite moments with your own memory movies.

# Rearrange apps and widgets

*default watermark*

Place your apps and widgets where you want them. Arrange them along the bottom for quick access, or off to the side to frame a wallpaper. Or give each page a unique layout.

# Home Screen a unique layout

## New look for app icons

App icons and widgets appear sleeker with a new Dark look. Tint them all with any color. iOS suggests a color that complements your wallpaper. You can also make apps and widgets appear larger.
